

## AMRITA VARSHAM

Amrita Varsham, an annual feature of the institution, kindles the essential virtues that churns the machinery of the society with noble virtues. It comes with the momentous opportunity of extending an empathetic approach towards those, who have otherwise been made to stand face to face with grim severities of life.

This academic session 2022-23 Amrita Varsham, under the banner of Project Amritam in collaboration with Gharaa an NGO, has taken the initiative of spreading a ray of hope in the life of the Assam flood victims. Students of Amrita Vidyalayam, Delhi, projecting their compassionate zeal generously donated articles of daily need like rice pulses, soap, washing powder, bathing soap, atta, bedsheets, etc. The articles were thereafter dispatched for the noble cause on September 20, 2022.
